Sir John Hunt

**Dear Student**

**There is a full range of activities taking place in College. Most of them are after College and many of them are requested by you.**

**The activities are organised by the staff for your benefit. Try to do at least one activity. When you come to writing up your own CV you will find that taking part in just one extra-curricular activity will have benefited you enormously.**

**Please read the booklet. Note the times, the places and the year groups and if you feel like coming along, see the teacher.**

**If you have any ideas for clubs and activities which you would like included, please see me or your student council representative.**

**M Carpenter  
Assistant Principal**
