

# Society and Research Methods

Choose one task to complete each week for your homework! You can do the same AMBER or GREEN task more than once to show progress.

**Attend Mr Sharpe's revision session for the week and complete any task of your choice.**

**Answer three exam questions from the 'Exam Questions' document on the website.**

**Do further research into a topic from class and write up your findings on one full side of A4. Include what you already knew and what you have learnt from your research.**

**Create a definition glossary and add in all of your new key academic vocabulary from this week.**

**Bring your glossary to the lesson to show me as it develops.**

**Create a fact sheet/poster on one topic of your choice from our recent learning.**

**Include all of the facts and any evaluation if applicable.**

**Write a one page explanation of a topic of your choice from our recent learning. Explain the knowledge involved and evaluate the topic as well.**

**RED = easy, AMBER = medium, GREEN = challenge.**
